Dear Valued Community Member,

Union Community Theatre began in 2009 with one goal in mind, to bring exciting and quality theatrical productions to Boone County and surrounding areas. Union Community Theatre has worked to unite people through the arts. We understand that our sponsors and donors are what make our dreams possible and we appreciate your financial support. With the tremendous amount of support we received, we were able to obtain our NON-PROFIT status and incorporate in 2012. However, UCT has hit a few bumps in the road on our way. UCT recently lost their storage location we have been using while working with the City of Union. The Union Community Building, located in Union, KY, failed to meet inspection codes and other requirements to continue to be used as a community space. Therefore, at the April 2015 City of Union Meeting, the current commissioners voted to suspend use of the building for community activities. This meant that UCT was left to find an alternate facility willing to store our technical equipment, sets, props and costumes for our shows.

The good news is, we have worked with a business in our community to arrange storage for UCT equipment, props, sets and costume supplies through May of 2016. UCT is seeking individual and community donors to help us reach our goal of \$1,500.00 to cover the moving and storage costs. This will allow UCT to safely transport all equipment and store them for use on our next production slated for October 2015.

Again, we understand that community members like you hold the key to bringing exciting and quality theatrical productions to our area. We hope you will consider making a donation. Remember, your donation may be tax deductible and notification for your files will be mailed for use in your 2015 returns. If you have any questions, comments or concerns, please contact us! If you are willing to help us out, we would love to have you on board as UCT takes the next step in our ever growing theatrical world. We hope you will consider contributing to our cause. Thank you for your continued support!
